**MEMORANDUM OF COOPERATION
BETWEEN
ERZİNCAN BİNALİ YILDIRIM
UNIVERSITY, ERZİNCAN
(REPUBLIC OF TÜRKİYE)
AND
OSH TECHNOLOGICAL UNIVERSITY
NAMED AFTER M.M. ADYSHEV
(REPUBLIC OF KYRGYZSTAN)**

Erzincan Binali Yildirim University, Erzincan on the one hand, and Osh Technological University named after M.M. Adyshev, on the other hand, hereinafter referred to as “Parties”, desiring to promote friendship, trust, and cooperation between peoples of Türkiye and Kyrgyz Republic, and having common goals in the field of higher education and scientific research, HAVE AGREED to the following principles of cooperation:

Article 1

The purpose of the present Memorandum is to develop international cooperation in the fields of education, research, and professors and students’ exchanges.

Article 2

For realization of the purpose of the present Memorandum, both Parties shall:

- promote the exchange of doctoral students, master students, undergraduate students, and professors;
- promote academic mobility of students and faculty staff on mutually agreed specialties and terms of study;
- organize the invitation of scholars and professors for conducting lectures, practical subjects, and consultations for bachelor, master, and doctoral students;
- organize mutual academic bachelor and master programmes on the agreed specialties in accordance with the Educational legislation of the Parties.
- promote the increase of scientific cooperation in the spheres of mutual interest as well as the development of problem-solving laboratories and engineering profile laboratories;
- render mutual assistance in upgrading the scientific qualification of doctoral students, master students, and professors;
- conduct training of students in mutually agreed programmes for double diploma or dual degree with giving two diplomas of the Parties;
- exchange the experience in advanced teaching methods’ development;
- exchange on cultural and language programs;
- promote the exchange of publications and materials on current research;

- organize bilateral joint symposia, seminars, and conferences;
- implement joint projects and programs;
- inform academic circles about the activity of both higher educational institutions.

Article 3

The Parties agree that cooperation shall be carried out between two higher educational institutions as a whole and between their structural departments or certain employees in the form most acceptable for both Parties.

Article 4

The Parties agree that the academic and scientific cooperation shall be carried out on the basis of joint programs which shall be signed by representatives of both higher educational institutions after the coordination of conditions, subjects, and participants of the scientific cooperation.

Article 5

The Parties shall carry out academic and scientific exchanges on the basis of bilateral exchange programmes, separate agreements, and individual invitations.

Article 6

The present Memorandum shall enter into force on signature and shall remain in force for the period of 5 (five) years. The Memorandum shall be prolonged automatically for the next 5 years, in case there is no written notification by either Party with six months prior termination notice to the expiration date. The present Memorandum cannot be modified or amended without mutual agreement of both Parties. All modifications and amendments should be stated in written form and signed by the Parties.

To prolong the present Memorandum the Parties shall give written notice to each other six months prior to the expiration of the present Memorandum.

Each Party may denounce the present Memorandum at any time by written notification addressed to the other Party one month before its denunciation.

Article 7

This Memorandum is made in two copies in English languages, each of which shall have identical validity and shall be given to each Party.
