

**Memorandum of Understanding
Between
Osh Technological University, Kyrgyzstan
and
Geoje University, Korea**

In recognition of common academic and related interests, and with the intention of encouraging close academic ties, Osh Technological University (hereinafter, OTU) in Kyrgyzstan and Geoje University (hereinafter, GJU) in the Republic of the Korea enter into this Memorandum of Understanding. This agreement will serve as a framework for cooperation between the two institutions, in particular cooperatively to explore educational opportunities between OTU and GJU. This agreement is intended to facilitate the discussion of more specific programs of collaboration. In particular, the two institutions agree:

1. to invite authorized officials from the other institution for the purpose of becoming acquainted with the host institution's programs and operations, developing the cooperative mechanisms, and expanding areas of cooperation;
2. to identify opportunities for student, faculty, and staff exchanges;
3. to highlight opportunities for interested and qualified students and university personnel to pursue either short-term or extended programs of study at each other's institution;
4. to make faculty, staff, and students aware of the academic programs, research institutes, and other educational resources that are available at the other institution.
5. to identify other potential areas of collaboration.

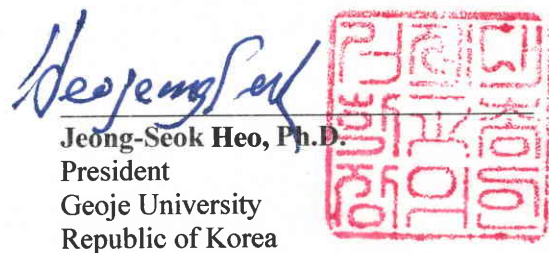

This agreement shall come into effect from the date of its signing by both parties, and be considered automatically renewed on an annual basis thereafter, unless terminated or replaced with another agreement. This agreement may be terminated by either party with a written advance notice of at least ten months.

If questions arise with regard to the interpretation, the English version of this agreement will take precedence over any written documents.

IN THE WITNESS WHEREOF, this agreement has been executed in duplicate, i.e., English, with each party to keep one copy.
